PROFESSIONAL SUMMARY

Software Engineering graduate with experience in full-stack web and mobile application development. Developed enterprise management systems, AI-powered platforms, and Android applications through academic and internship projects. Passionate about building reliable, user-focused software solutions, contributing to collaborative development teams, and always eager to learn and grow as a software developer and engineer.

EDUCATION

Bachelor of Science (BSc) in
Software Engineering,
Bule Hora University ,
Graduated: 2026
CGPA: 3.45
Exit Exam Result: 90%

PROJECTS

- LearnXchange (Final Year Project)
- GLCAE Vision Hub (Internship Project)
- Food Recipes Platform
- EQUP Mobile Application
- Location-Based Map Application
- Text-to-Speech Application

TRAINING CERTIFICATES

- Diploma in Hardware & Networking Service
- Diploma in Database Administrator
- University Graduation Expo Project preparation & Presentation
- Android Development - Udacity
- Data Analysis - Udacity
- Artificial Intelligence - Udacity
- Fundamental Programming - Udacity
- e-SHE (E-Learning for Strengthening Higher Education)

SOFT SKILLS

- Problem Solving
- Teamwork & Collaboration
- Communication
- Critical Thinking
- Time Management
- Adaptability
- Attention to Detail
- Self-Motivation

LANGUAGES • English : Fluent
• Amharic : Fluent
